# Club Information

## **The committee needs your help to run the club nights.**

There are fewer members of the committee able bodied at the moment. The proposal is that after the kitchen is set up for the refreshments, tea, coffee, milk and biscuits all in place then the club members take over running the kitchen in as far as brewing and pouring the tea, coffee etc and washing up. This will free committee members to put away the tables and chairs. However, we are still short of help there too. So, a board will come round tonight asking for a commitment to either go into the kitchen or stay behind until all the tables and chairs are put away. We are only asking for once a year from you so please help by signing up as the board comes to you. If you subsequently can't do that night then you only need to ring Chris Middleton 01625 421737 or email [chairman@ddfc.org.uk](mailto:chairman@ddfc.org.uk) in time for replacements to be found. Thank you in anticipation of your help.

## **Sales Table**

Visit the sales table for your Flower Arranging Essentials.

But it can also be used to upcycle your existing flower arranging stock, you might find that someone else's stock inspires you whilst yours excites someone else.

## **Photographs**

Demonstrators will often be happy with people taking photographs however please don't put these photos on Social Media without permission. As you can imagine it is hard work to create a demonstration and if it is put onto Social Media after their first demonstration of the year it spoils it for everyone else subsequently. Usually, they are happy with 1 or a part of 1 arrangement there but please ask first.
