Club Information

Help Needed Rotas

Teas: No need to come early or bring anything as Val will set it all up and keep the refreshment box filled with everything needed including the milk. What we need is for you to make and serve the tea/coffee then wash up and put away. Please don't forget the demonstrator's refreshment pots.

Chairs & Tables: No need to come early but as well as putting away the chairs and tables in the hall there is a small table behind the door into the stage area from the hall to go in the main hall cupboard and a large trestle to put down and store under the stage.

Thank you once more for volunteering

Val the Club Secretary is in charge of the rotas now and so if you can't fulfil your commitment to the Help Needed Rota then you only need to ring Val Jackson 07771 623866 or email secretary@ddfc.org.uk in time for replacements to be found. Thank you.

Photographs

Demonstrators will often be happy with people taking photographs however please don't put these photos on Social Media without permission. As you can imagine it is hard work to create a demonstration and if it is put onto Social Media after their first demonstration of the year it spoils it for everyone else subsequently. Usually, they are happy with 1 or a part of 1 arrangement there but please ask first.
